

SVLA BOARD SECRETARY

JOANNE ROMERO

40 years ago this July, I jumped ship “down-below” and moved to Spring Valley Lake. Like so many of you, I was infinitely busy working and raising a family. There was little time to get involved in the community and there were only a few activities available back in the 80’s.

The first SVLA activity we took part in was the Easter egg hunt. Our summers centered around the swim beach and lake, and we always looked forward to the annual 4th of July fireworks show. Other than an occasional community meeting, there didn’t appear to be much else going on. Now there are seemingly endless possibilities for involvement. Our SVLA event coordinator has planned a wide variety of activities for the whole family all year long.

This year, we are excited to announce that an extra concert at the beach, The British Beat, has been added on Friday, June 16th. You won’t want to miss this one! Thanks to the event sponsorship program, we are able to include this fourth concert in the summer series. Businesses can take advantage of this marketing opportunity by sponsoring major events. With sponsorship, the business name/logo will be placed on social media, e-blasts, fliers, in The Breeze, and on concert banners. If you would like more information on

sponsorship opportunities, contact the SVLA office at (760) 245-9756 or email thawkins@svla.com.

Attending events and getting to know your neighbors is a great way to get involved in the community; but don’t forget to keep up with the latest SVLA news. If you haven’t given us your email address, you may be missing out on newsletters, board meeting re-caps, event fliers, etc. Contact the SVLA office and let us know you want to start receiving the e-blasts.

Please help shape our community: Join a club, take a class, join a committee, attend town-hall meetings, vote in HOA elections, and attend board meetings. We hope to see more and more of you around as the Spring Valley Lake story continues.

On a different note, this will be my last month on the SVLA Board of Directors, as both Lewis Ponce and I are terming out. I think I can speak for both of us in saying we’ve enjoyed our four years of service to the SVL community. We thank you for your support. It has been immensely rewarding getting to know so many of you. Working with our outstanding SVLA staff, General Manager and Board has also been an excellent experience. Thanks again to all, and best wishes to the newly elected Board members.
