Board of Director's Regular Meeting
June 22, 2021

- Vessel registrations continue. Requirements to register vessels are available on the association website, www.svla.com. All paperwork can be submitted on-line at Admin@svla.com. Safety inspections and measuring of the vessel is the first step to complete in the registration process. Call Public Safety to schedule the inspection. Once this is complete the registration process is completed at the Association Office. Maximum length for a pontoon boat is 24 feet and all other boats maximum length is 22 feet.
- As of June 16th, 369 powered vessels and 346 non-powered vessels have been registered for the 2021 year. There is a wait list for boat slips. If you wish to rent a boat slip for the summer do not wait.
- Just a reminder: Any changes, updates, additions to your property or exterior of your home must have Architectural Committee Approval. To submit an Architecture Application, you must schedule an appointment. You can do this through the website or call the AO and ask for the Architectural Department. Fines will be issued for any projects without approval. All information to submit an Architectural Project application for approval can be found on the website or call the Association Office.
- Sign-up for e-blasts; contact the association office to sign-up. All we need is your email address. A lot of information about the association can be found on our website, the association face-book page, the Breeze and bulletin boards through-out the community.

- Be sure to get a free pet tag for your pet. If your pet is found, we will call you based on the phone number on file when you register. This does not replace the county registration.
- Help us keep your contact information up to date. If you have any changes, please contact the association. This includes phone numbers, emails, mailing address, emergency contacts.
- Lost & Found items are kept in Public Safety. If you have lost something, check in with PSD. If you find something you may drop it off at the Association office or PSD office.
