- Vessel registrations for the 2022 Year will begin December 1, 2021. Requirements to register vessels are available on the association website, [www.svla.com](http://www.svla.com). All paperwork can be submitted on-line at [Admin@svla.com](mailto:Admin@svla.com). Safety inspections and measuring of the vessel is the first step to complete in the registration process. Call Public Safety to schedule the inspection. Once this is complete the registration process is completed at the Association Office. Maximum length for a pontoon boat is 24 feet and all other boats maximum length is 22 feet.
- Just a reminder: Any changes, updates, additions to your property or exterior of your home must have Architectural Committee Approval. To submit an Architecture Application, you must schedule an appointment. You can do this through the website or call the AO and ask for the Architectural Department. Fines will be issued for any projects without approval. All information to submit an Architectural Project application for approval can be found on the website or call the Association Office.
- Be sure to get a free pet tag for your pet. If your pet is found, we will call you based on the phone number on file when you register. This does not replace the county registration.
- Lost & Found items are kept in Public Safety. If you have lost something, check in with PSD. If you find something you may drop it off at the Association office or PSD office.
- Shout out to the Board for all your hard work!
- Happy Thanksgiving and if we don't have a meeting in December I wish you a Very Merry Christmas and Happy New Year.
