

Spring Valley Lake Association
Administrative Monthly Report
Board of Director's Regular Meeting
November 17, 2020

- Boat registrations for the 2021 year will begin December 1, 2020. Requirements to register vessels are available on the association website, www.svla.com. All paperwork can be submitted on-line at Admin@svla.com. Once the safety inspection and measuring of the vessel is complete the registration process and payment can be completed at the admin office or on-line. Please call Public Safety to set-up the safety inspection. Part of the safety inspection is to verify the length of your boat. Maximum length for pontoon boats is 24 feet and all other boats is 22 feet.
- All Tenants must renew their membership. Their current membership expires October 31, 2020. Applications are available on the web-site and in the association office.
- Sign-up for e-blasts; contact the association office to sign-up. All we need is your email address. A lot of information about the association can be found on our website, the association facebook page, the Breeze and bulletin boards through-out the community.
- The association is verifying and/or updating members contact information. This is to include phone numbers, email addresses, and emergency contacts. In case of an emergency we want to be able to reach you by phone. Also, a lot of information is sent out by email. Email will get the info to you much faster than the Breeze newsletter which is once a month.
- Check out the association's website at www.svla.com. There's lots of information available along with the governing documents under the tab titled "I want to" ... Also, check out our Facebook page, *Spring Valley Lake Association*. And be sure to **LIKE IT**.
- Pet tags are free. Call or email the association at admin@svla.com to fill out a form to get a SVLA pat tag. So, if your pet is found the tag is linked to your address and phone number.
- Please take precautions with the colder temperatures. Busted water lines can make quite the mess. And also have a warm place for your pets.

Wishing Everyone a Happy Thanksgiving!

Jeaneen Beam
Director of Admin & HR
