Subject:	Public Safety and Maintenance Department 2-Way Radios														
From:	Nicolas Gonzalez- Operation's Manager														
Date Prepared:	June 16, 2020														
Meeting Date:	June 23, 2020														
History:	Currently, Security has 20 Harris 2-way radios and Maintenance has 11 Harris 2-way radios. SVLA purchased these radios around 2014-2015. Security radios are currently having issues, as to they won't power on when fully charged, some mics do not work, won't key up when pressed or will stay keyed when disengaged and cuts in and out.														
Staff Recommendation:	I recommend Surplus Two-Way Radios														
Support for Recommendation:	Surplus Two-Way Radio was the most competitive on sophisticated radios (Reliable), offers a 3-year warranty on Kenwood radios and a 1 year on SRcomm radios. They're also the warranty repair shop for these manufacturers.
