Subject:	Playfair Park – Playground Mulch	
From:	Nicolas Gonzalez- Director of Operations	
Date Prepared:	October 22, 2020	
Meeting Date:	October 27, 2020	
History:	The current playground area has sand that has been in place for 24+ years. The sand has become very compact over the years creating a hard surface and dangerous for children to fall on. The sand that is currently there is not ADA compliant.	
Staff Recommendation:	I recommend SoCal Mulch, Inn.	
Support for Recommendation:	I recommend SoCal Mulch Inc. because they offered competitive pricing and the only company who responded to my inquiry in an acceptable time frame.	
Committee Recommendation:	N/A	
Financial Impact/ Budget Source:	Estimated cost on Reserve \$16,000.00 SoCal Mulch, Inc. \$15,868.75 <u>Remaining on Reserve Estimate \$131.25</u>
