The new slip assembly and installation has begun in the Association Parking lot.

Our vendor has one section of slips assembled and ready to be installed and then they will begin assembling the next section of slips.

Please keep in mind that due to the assembly and installation of the slips taking place in and around the boat ramp, there are periods of time where the boat ramp is inaccessible.

The demo of the old slips will be completed on Monday, May 8, 2023. We faced a few delays this week due to the weather, but the demo will be complete on Monday and we will have the area cleaned up.
