

SVLA BOARD PRESIDENT

BRIAN BICKHART

I would like to take this moment to thank all the staff and Directors here for their support over the last three years. We are truly fortunate to have such a great staff and dedicated Board members. I would also like to say thank you to the members who have supported what this board has been trying to accomplish.

As most of you know, the association has bought and sold the country club to a third party. This transaction featured key components that will ensure the continued use of the country club as it is now. Deed restrictions were put in place that make it impossible for the club to be used for anything but a country club/golf course. This was always the goal, even if the outcome was different than what we set out to do. These deed restrictions also apply to the continued

maintenance of the Veterans monument and will allow access and treatment for the water coming from the hatchery through the golf course. I truly believe that we have found the best partner in Steele Canyon for the continued success of Spring Valley Lake and the country club.

Moving forward, the Board will be concentrating a large portion of our focus towards the completion and improvements at Meadowlark Park, the beach expansion project (connecting the east and west beach in front of the damn) and water clarity projects upstream from the pond at the Country Club. This is a good time to remind our committee members to re-apply for the committees and if anyone would like to, please apply soon! Have a great month and hope to see everyone at our next open meeting!
