

Meadowlark Park Survey

The Board of Directors has asked the Planning Committee to look at upgrade options for Meadowlark Park.

Community feedback is important to assist the Board of Directors to prioritize the types of amenities property owners would like to see at the park.

Please print out the survey, complete and return to the Association Office at your convenience.

As a member who uses the restroom in the park, how would you rate the need for that facility to be updated?

Strongly Agree
Somewhat Agree
Am fine with the current bathroom
Remarks _____

While in the park how likely would you purchase food and beverages at an updated and organized snack bar?

Extremely likely
Somewhat likely
Not at all
Comments _____

In order to extend the hours Little League could utilize the fields in the summer months, lighting would need to be provided. How likely would you favor downward-directed field lights that would only be on during games and shut off by (SVL rules) 10:00 p.m.? (The plan would be for solar lighting.)

This would be a favorable option
Do not favor this option
List other options _____
