Board of Directors Regular Meeting

A few months ago, the public safety department started making contact with residents that have any kind of trailers, fifth wheels, toy haulers or boats that are park in the driveway or in the street that do not have a lock on it or have a lock that might be easy to cut off. so far, we have contact 48 home to suggest better ways of keeping their trailers safe.

Please remember to get a pet tag for your dog. We still find a lot of dogs that go to animal control due to not having any information on who owns it.
