KIDS CLUB 2019

As this years Kids Club Leader, I would like to say thank you to everyone who has helped make this summer a success. Over these past eight weeks we have had the privilege to get to know your kids, and they have taught us so much about their interests. They taught us the latest dance moves, song lyrics and catch phrases. The Kids Club team decided it was only fair to share some of our interests as well: crafting, acting and watching classic Disney movies. A regular week in Kids Club was filled with crafts and games such as building a chain link snake and playing dodgeball. Together we started water balloon fights, dance-offs, countless crafts and even constructing our own cars for a drive-in movie. Kids Club is about teamwork, sharing, fun and creativity. We strive to teach them new and exciting games, but also values that will get them far in life, like social skills and team building. Here at Kids Club, we believe that spending so much quality time with these wonderful kids has really made a mutual impact on all our lives. Thank you to the wonderful parents who brought their children to Kids Club every morning, to the Spring Valley Lake Association team who made Kids Club possible and to the fantastic Kids Club kids who make our summers memorable. We will never forget you, and we look forward to another wonderful year with you. See you next summer!
