SVLA BOARD PRESIDENT

## RORY SHANNON

Recently Association members were sent a survey to complete regarding the work that the Community Task Force is doing for the Board. This work is relative to the Spring Valley Lake Country Club and the impact it has on our community. Before we go further, allow me to provide some context and history.

Golf course ownership and success have landed on hard times. Golf is not nearly as popular as it was 10 years ago. Many clubs across the country have struggled and a good number of them have closed. The impact to the communities that surround those impacted clubs has been severe and had a negative impact on property values especially when the golf course closed.

Not long ago, the Association was approached about creating a relationship with Club Corp for our community and Spring Valley Lake Country Club. After several fact-finding discussions, we found it quite difficult to gain any specifics to a plan that would benefit both parties. Knowing that SVLCC is not generating the profits that Club Corp desires, we saw a potential risk for our community. At that time, we decided to bring the conversation to the Board to explore and discuss our options. The Task

Force was then formed and has been doing that work for some time now. In addition to those discussions, we are seeking out industry experts and professionals that can guide us along this journey.

Any agreement or decision made relative to the Country Club is a big decision for our community. I can assure you that we are taking our time, learning and studying about the options, and getting good advice and counsel before any decisions are made. Recently, you all received a survey about this. This survey is a means for the Task Force to gather information and input from our members. That information is one important part of the puzzle.

I encourage everyone to complete the survey and provide your thoughts and opinions. If the questions were not enough for you, there is a comment section where you can add whatever else you want the Task Force to know.

In closing, please understand that there is no pre-determined path we are pushing for. Our only goals are to address potential risks for our community and determine the best possible solutions for this challenge.

Thanks for your input.

We are currently working with a consultant to help us rewrite our architectural documents (Guidelines). Our goal is to ensure that our documents are consistent

As I mentioned earlier, we are dedicated to improving our community and to listening to our residents' concerns. With this in mind, and starting in November, I will host a series of monthly informal meetings about SVLA, in an environment where you can have a genuine conversation with me. The meetings will be limited to eight to ten residents each, as the room that will be used has a limited capacity. This means residents will need to RSVP to attend. The goal of these informal monthly meetings is to give residents an opportunity to meet me and to help resolve concerns / community challenges proactively. I look forward to working with those of you who are interested in meeting me.

# BEFORE AFTER

LISA HARTLEY, PUBLIC SAFETY DIRECTOR

Halloween in Spring Valley Lake is always a very busy night, but this year there is construction being done on the roads. Please be careful while walking around the streets in the community. Drivers please give yourself extra drive time to get in or out of the community and watch for children walking on the streets, medians and curbs. Parents of young children, to help with safety, you can put reflective tape on your child's costume and make sure you carry a flashlight with new batteries. The Public Safety Officers, with assistance from the CHP, Fire

Department, COP's and the Sheriff Department will be out to help with any problems that might occur throughout the night. Please remember that trick-or-treat times are from 6pm to 8pm. If you plan on attending the Halloween event at the Community Center from 5pm to 7pm, please remember to have your Spring Valley Lake ID cards and guess passes with you. All property owners have to accompany their guests while at this event. Thank you in advance for your cooperation and have a safe and Happy Halloween. 💎

Be extra careful, children are out

# CODE ENFORCEMENT

In June of 2010, I walked into the office of Spring Valley Lake Association for the first time. Little did I know that nine years later, I would still be here working as a Code Enforcement Officer. The journey has been most interesting to say the least. I have worked with some wonderful people, and do work with great people at this time. I have seen General Managers come and leave us, and Board of Directors come and go. The most change I have seen has been in the Jewel of the Desert.

I came from Boulder, CO where I spent 30 years of my life in the most beautiful Rocky Mountains. I was not used to desert or land without grass or trees, or green. I had been a Police Officer in a small mountain town where everyone knew everyone.

It was easy for me to be friendly to people, but I also knew how to solve issues when necessary.

Back in 2010, it amazed me how many beautiful homes there were here, and how groomed the landscaping was; but I also noticed there were many homes that needed a lot of work done to them. In the beginning, there was no computer programs, so everything was done by hand. Two of us spent hours making forms and doing notices the hard way. Now we have four officers and a computer program that helps us with everything.

In these nine years, I have seen many changes here. As some homeowners have sold and moved out; we have new homeowners, as well as renters moving in. Many may not be aware of the rules regarding maintaining their property according to our governing documents. Code Enforcement works hard to make sure properties are kept up to code. Even with the changes in the High Desert, SVLA is still the Jewel of the Desert to me. 🌵

The code enforcement team is midway through lake inspections. The department has noticed many owners maintaining their properties. At this time, we want to personally thank Anchor Drive for being such a large contribution to the jewel of the desert. We appreciate your efforts! Above is just a few of the properties that passed inspection with flying colors.

Here is the remainder of the lake inspections and surrounding areas due for inspection. The highlighted areas are projected to be completed by November.

# Family Hoedown

We had a great turn out for the Family Hoedown on October 5, 2019 at the Equestrian Clubhouse. The weather was absolutely beautiful which just added to the whole evening. We had an incredible performance by the Rob Staley Band and the best BBQ dinner by Knock Out BBQ. There was also a photobooth, mechanical bull, bounce house, and face painting to take part in. It was another successful year and we are so thankful to all who came.

# San Bernardino County Sheriff's Department

## VOLUNTEER PROGRAM

The Spring Valley Lake Citizens on Patrol (COP) unit 423 are volunteers with the San Bernardino County Sheriff's Department. You may have seen us patrolling the Spring Valley Lake neighborhood.

We are unarmed and NEVER make contact with suspects. Our job is to observe and report crime. We are the eyes and ears of the Sheriff's Department. We are in direct contact with deputies and Sheriff's Dispatch via radio.

COP's work without pay and help save millions of dollars for the Sheriff Department.

COP's perform many duties to assist the Sheriff's Department. Duties include: Patrolling assigned areas to observe and report any crime they see, perform traffic control; and assist with administrative duties. You may also be asked to represent the Sheriff's Department at community events.

If you are interested in joining, we would like to invite you to talk to us. The process to join is as follows:

- Fill out an initial application, which will be submitted to the Sheriff's Department for a background check. If you pass this initial background check, you may attend our meetings.
- You must attend three meetings before completing the final interview. We meet at the Spring Valley Lake Community Center, 12975 Rolling Ridge Drive in the Palm room (CB3). Time of meeting is 6:00-7:00 PM on the first Tuesday of each month. Meetings are mandatory.
- You will be required to fill out an in-depth application and waivers. This will allow the Sheriff Department to do a thorough background check.
- When you have passed the background check you will receive an appointment to the COP. You must attend the COP Academy, which is approximately 32 hours. Generally, the academy is held in the evenings and occasionally on weekends. The academy is a requirement to perform your duties as a COP.

If interested in joining our unit, please contact our Commander, Phil Thomasson at 760-486-4564 for an application, or fill out the application on this page.

We had a great turnout for the Social & Fishing Club first ever Oktoberfest catered by Sami's Concessions. Wade Perry, owner of Sami's Concessions, resides here in Spring Valley Lake and presented a tasteful and complete German style dinner complimented by three dark beers from an official tap. Several members agree that an Oktoberfest could be a great annual event for our club.

During our dinner meeting, Carol Grace volunteered to serve as club President in 2020. Carol has served in this capacity as well as other positions on

the club board. The members overwhelmingly welcomed Carol to this position. Current club President, Lonnie Keeter and club VP, Mel Wolf, have served well for two years, and are ready to pass the gavel to Carol who will ask for volunteers to serve with her.

If you are not a member of the oldest and largest social club in SVL, please consider joining. Next year's calendar of events for the club will include fun and club friendly activities held right here in SVL. To be a part of the club, please call the club Treasurer, Robert Eaton, for all the information – 760 951-8721. Our meetings and events are held on the first Monday of each month, with consideration for holidays. 💎

## UNDER CONSTRUCTION

Speaking with SVL Board President, Rory Shannon, the BOD are continuing to re-purpose the former Planning Committee mission, and plan to roll that out by January 2020. Stay tuned.

## Assistance League® of Victor Valley Partners with Disney for Family Volunteering Event

Mickey and Minnie Mouse ears stood out among the volunteers for the Disney Family Volunteer Fundraiser to support the Operation School Bell® and Teens Helping Teens programs of Assistance League of Victor Valley. Disney encourages families and kids to volunteer together by offering non-profits the opportunity to earn Disneyland tickets to use for fundraising, by hosting a volunteering event where families can work together to make a difference in the local community.

Monday evening, 116 volunteers of Assistance League members and their families and friends, the Assisteens®, and community supporters such as US Bank and Spring Valley Lake Women's

Golf Club, gathered at the Chapter Office for a fun night of working together! Their goal: To assemble 2,000 grooming kids for economically disadvantaged students.

The boxes with bags and toiletries lined one wall. The Assisteens gathered the boxes delivering them to assigned tables. A total of 1,500 bags for Operation School Bell and 70 bags for Teens Helping Teens were filled. The groups at the tables were a mixture of teens, younger children and adults. Peo-

ple were on the move constantly. Mission accomplished!

The hands-on interaction of those from the community with the members of Assistance of Victor Valley brought a better appreciation of what we bring to the community. Helping those in need is a wonderful accomplishment; bringing people together to attain that goal, brings pride to the community.

The reward of the Disney Family Volunteering fundraising event is

in each photo; the smiles not just on the faces, but those that show in the eyes. It was an evening of giving that created a wonderful feeling in all who attended.

Assistance League® of Victor Valley is a non-profit organization whose volunteer members identify, develop, implement and fund ongoing community-based philanthropic programs for specific needs of the Victor Valley.

We are always looking for new members who are interested in serving their community through volunteer service and fundraising activities. If interested, please write to [membership@assistanceleaguevv.org](mailto:membership@assistanceleaguevv.org) or visit our web site for more information.

# Wine & Jazz & Paint Night

We had a great turn out for our Wine & Jazz & Paint Night on September 13, 2019. We had approximately 75 people who came out and participated in the painting event. There was also a nice crowd that came out just to relax and enjoy the jazz music. It was a beautiful evening and we hope all that came enjoyed themselves.
