I would like to address several rumors currently circulating within our community regarding the Association's accounting practices.

I am writing this because I have not seen the full story presented publicly. When only portions of information are shared, it can create confusion, doubt, and unnecessary division. If I do not share the details, who will? I believe our community deserves a complete and factual explanation....

It is with a mix of pride and emotion that we say goodbye to Sergeant Justin Hartley, who will be leaving the Spring Valley Lake Public Safety Department to begin an exciting new chapter in his career with the San Bernardino County Sheriff's Department.

Justin has been a valued member of the Public Safety Department and a dedicated part of our team for about five years. Through his professionalism, reliability, and commitment to serving the residents of Spring Valley Lake, Justin consistently went above and beyond in everything he did. His strong work ethic, attention to detail, and willingness to help others made a positive impact on both the department and the community we serve.

While we are sad to see him go, we are proud of Justin as he takes this next step forward in his career in law enforcement. Please join us in wishing him the very best in this new journey. We know his future is bright, and we are confident he will continue to make a difference wherever he serves.

**Thank you, Justin, for everything you've done for Spring Valley Lake Public Safety and our community. You will truly be missed!**

A promotional poster for the Water Conservation Festival. The background is dark blue. At the top left is the San Bernardino County logo. In the center is a large blue water drop icon. Below it, the text 'WATER CONSERVATION FESTIVAL' is written in large, bold, light blue letters. Underneath that, the date and time 'Saturday, May 16, 2026 10am - 1:30pm' are displayed in white. At the bottom of the poster, there are two columns of text. The left column contains the invitation 'Join us for a day filled with family fun and water education!', information about where to get more info, and the website 'waterwise.sbcounty.gov'. The right column lists the location 'Spring Valley Lake Community Center' and a list of activities including 'Kid's Games', 'Workshops and Exhibits', 'Fire and Safety Demonstrations', 'Raffles, Giveaways, Free Food', and 'And Much More!'. The bottom of the poster is decorated with a string of colorful triangular bunting flags in shades of orange, yellow, and red.
